### **Jeff Kaveney Promoted to Eriez® Director of Sales and Product Management**

Erie, PA—Senior Sales Director of Eriez-USA Dave Heubel announces that Jeff Kaveney has been named Director of Sales and Product Management. Kaveney, who has been with [Eriez®](#) for 24 years, served as Manager of Product Marketing and Administration prior to this promotion.

Heubel says, “As Director of Sales and Product Management, Jeff’s responsibilities include providing leadership for our [separation](#), [vibratory](#), [metal detection](#) and [recycling](#) product lines, developing key sales strategies for our light industry markets and overseeing order administration.” He adds, “Jeff’s proven dedication, wealth of product knowledge and widespread application experiences make him uniquely qualified to guide Eriez-USA in meeting our continually evolving strategic goals for product standardization and organic product development.”

Kaveney earned a bachelor’s degree in business management from Gannon University in 1984. He joined the [Eriez](#) sales team in 1995 as a Technical Sales Representative. During his tenure with Eriez, Kaveney has completed numerous training programs and authored an extensive array of technical articles which have appeared in national trade publications.

Eriez is recognized as world authority in separation technologies. The company’s magnetic lift and separation, metal detection, fluid recycling, flotation, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, plastics, rubber, recycling, food, mining, aggregate and textile industries. Eriez manufactures and markets these products through 12 international subsidiaries located on six continents. For more information, call (814) 835-6000.
